- 1

A picturesque tee shot. Lay up short of the central rock and tree outcrop, to leave a flighted short iron second.
- 2

OB right is the danger of the tee. A long uphill second leaves a short pitch over a nest of sand traps.
- 3

Anything straight is good off the tee! The green faces you, so pitch your second up to the flag.
- 4

Think of leaving an uphill putt on this testing par 3.
- 5

Nice and wide for the drive. Stay a little left for the approach shot.
- 6

Drive needs accuracy, the rest is wide enough to open the shoulders.
- 7

Looks shorter than it is. Big green.
- 8

Best not to cut the corner. Easy par 4, if you are on the right of the fairway with the drive.
- 9

Very nice hole, don't try to get to far with the drive, stay left everything rolls down to the fairway.

- 10

What a hole!
Don't be too big.
- 11

One of the most interesting holes.
Don't try to bite of to much
fairway. You know the saying
everything goes with the water.
- 12

Straight forward hole.
Sand protects the green.
- 13

Wide open fairway
but with a hidden green
playing uphill.
- 14

Drive right of the rock
outcrop and then use your
best distance judgement
for this downhill pitch.
- 15

Not a long shot but requires
a clean strike or you may visit the
water hazard.
- 16

Gamble on a long straight tee
shot and you can have an easy
second. A lay up short of the
bunkers & drystone wall is safer.
- 17

Just hit the fairway off the tee!
The second shot is not long.
- 18

Reach the end of the left hand rock
wall and you have a chance at the
green.
