PLEASE MAKE SURE TO RAKE THE BUNKERS, REPLACE ALL DIVOTS AND REPAIR PITCH MARKS ON THE GREENS

10 Par 4 - A sharp dog leg left requiring a precise drive and an accurate iron to the Green.

11 Par 3 - A long uphill Par 3 with a narrow green which requires an accurate shot. Avoid the left side.

12 Par 5 - Silves signature hole. The brave long hitting golfer can reach in 2 but 3 measured shots will see you on the green.

13 Par 3 - A deceptive par 3 which is well guarded by a close out of bounds on the left and a cheeky bunker on the right.

14 Par 4 - An accurate drive is essential to ensure a shot to the green

15 Par 3 - Choose your club and make a good swing!

16 Par 5 - Anything long and straight works on all 3 shots!!!

17 Par 4 - Another good drive will set up an approach to the green which is guarded on both sides by bunkers.

18 Par 4 - Important to hit a straight drive as there is a lateral water hazard on both sides of the fairway. Uphill pitch requiring length judgement
